- vi. Notwithstanding anything to the contrary herein, no part of the Condominium Documents now or hereafter adopted or promulgated shall ever be deemed to prevent, restrict, discourage, or hinder, in fact, in any manner whatsoever the alienation, conveyance, mortgage, purchase, sale, rental, lease, license, use or occupancy of Units or any negotiations in connection therewith because of race, religion, creed, color, national origin, sex, sexual orientation, age, ancestry, marital status, status as a veteran or member of the armed services, or any ethnic group, blindness, or by any reason of the fact that children will occupy such Unit, receipt of public assistance, or, in addition to the foregoing, by any reason whatsoever prohibited by any federal, state, county or municipal law.
- vii. Any lease of a Unit, residential or commercial, shall: (1) be in writing and apply to the entire Unit, and not merely a portion thereof; (2) expressly provide that the lease or occupancy agreement shall be subject in every respect to the Master Deed, Declaration of Trust and Rules and Regulations, as the same have been amended most recently prior to the execution of the lease; (3) expressly provide that the lease shall be subject in every respect to all federal, state and local laws, statutes, rules and regulations, etc., as the same may be amended; (4) comply in all respects with M.G.L.c.183A as it may be amended; (5) shall provide that the lease may not be assigned, subleased or otherwise transferred except with the prior written approval of the Board; and, (6) contain the following provision, in capital letters, double spaced:

Further, such restrictions shall not be construed to restrict a Unit Owner's right to move, remove, alter or change any interior, non-structural, wall or partition, nor change the use and/or designation of any room within his/her/their Unit; provided, however, that such shall not adversely affect the structural integrity of the Buildings nor overload the Buildings systems and provided further, that (1) reasonable advance notice thereof is given to the Trustees; (2) all reasonable and necessary documents and plans are provided in advance to the satisfaction of the Trustees; (3) all necessary and proper permits and/or approvals are obtained from appropriate governmental authorities; (4) all conditions as may be reasonably imposed by the Trustees are satisfied; and (5) any contractor(s) performing such work shall be licensed

No Unit, or Limited Common Element of Exclusive Use Area, shall be maintained or used in such a manner as to detract from the value of the other Units or the Condominium as a whole.

- n. Driveways and exterior parking spaces shall not be used for storage. No boats, trailers, ATVs, four wheelers, unregistered vehicles, motor homes of any size or type, or inoperable vehicles shall be permitted to be parked in driveways, roadways or exterior parking spaces.
- o. No drones or other remote-controlled aerial equipment, toys or vehicles shall be used anywhere on the Condominium Common Areas and Facilities. No Unit Owner shall receive deliveries by drone.
- p. The foregoing restrictions shall be for the benefit of the Unit Owners and the Trustees, and may be administered on behalf of the Unit Owners by the Trustees. These restrictions shall, insofar as permitted by law, be perpetual, and to that end they may be extended at such time or times and in such manner as permitted or required by law for the continued enforceability thereof. The failure of any Unit Owner, or person occupying a Unit, to comply with said restrictions will give rise to a cause of action in the Trustees, and/or any aggrieved Unit Owner, for the recovery of damages, or for injunctive relief, or both.

13. Rights Reserved to the Declarant.

- a. As stated above, the Declarant intends to develop the Condominium in stages herein referred to as “Phases” and “Sub-Phases”. The Land, together with the Buildings described and shown on the Condominium Plans as “Phase 1” shall initially comprise the Condominium. Said Phase 1 consists of three (3) Units. The Condominium shall consist of additional Phases or Sub-Phases constructed and to be constructed, on the Land and the Property, which additional Phases or Sub-Phases, and the related construction and development to be added, without limitation, by adding additional land, expanding the Phase 1, or any later constructed, building, constructing a new building or buildings, or subdividing or reconfiguring the Phase 1, or later, Units. Until such time as additional Phases or Sub-Phases are added to the Condominium by the recording of “Phasing Amendments” as described below, any Buildings or portions thereof existing on the Land (other than Phase 1) and any other portions of the Buildings shown on the Condominium Plans shall constitute an interest in real estate and be exclusively owned by the Declarant.
- b. The Buildings (and portions of Buildings) for Phase 2 and all subsequent Phases or Sub-Phases (“Future Phases”) are to be constructed on the areas to be shown on subsequently recorded site plan. When all Phases of the Condominium have been developed, it is anticipated that there will be a total of up to thirteen (13) Units in numerous Phases and/or Sub-Phases. The Declarant need not complete construction of or establish any additional Phase or Sub-Phase as part of this Condominium, however.
- c. The Declarant expressly reserves the right to either (i) create more or fewer Phases than may be currently contemplated, or create Sub-Phases; and (ii) to add Phases or Sub-Phases to the Condominium in an order other than as set forth herein.
- d. As described above, with respect to any portion of a Building not comprising Phase 1 or a later Phase expressly made subject to this Master Deed and part of the Condominium pursuant to a “Phasing Amendment” (as described below), the Declarant reserves for the benefit of itself

and its successors and assigns exclusive ownership of such Buildings or portions of Buildings, as well as the right to fully construct, develop and finish same. Thus, the Buildings and portions of Buildings, as well as the other areas located beyond Phase 1, may be exclusively utilized by the Declarant and its successors and assigns for whatever lawful use or purpose may be deemed desirable by Declarant in its sole discretion. Nothing contained in this Master Deed or in future amendments shall be held to limit or restrict said reserved rights of Declarant for the benefit of itself and its successors and assigns.

- e. The Declarant, for itself and its successors and assigns, hereby reserves exclusive rights and easements to enter onto the Land and complete construction of any buildings thereon, along with all improvements, utility lines, driveways, wires, pipes, conduits, sewer, walkways, and drainage lines to service the Units constructed on the Land described in Schedule A.
- f. The Declarant expressly reserves for itself and its successors and assigns, and shall have the right, without the further consent of any Unit Owner or mortgagee, to amend this Master Deed so as to include in this Condominium the later Phases thereof as set forth above (hereinafter, the "Phasing Amendment(s)"), pursuant to and in accordance with the provisions of this Section 13. Until the happening of one of the events described below, the building areas shown on the Condominium Plans outside of the Phase 1 Area (i.e., the "Later Phase Areas") shall be deemed to be subject to the exclusive use, rights and easements hereby reserved by the Declarant and its successors and assigns in this Master Deed, including the rights of the Declarant to convert said areas to Units, Limited Common Areas, and Common Areas and Facilities as described herein and in the Phasing Amendments.
- g. The Declarant shall not amend this Master Deed so as to include such later Phases or Sub-Phases until the construction of the portion(s) of the Buildings containing the Units in such Phase or Sub-Phase has been completed sufficiently for the certification of plans provided for in Section 8(f) of the Act.
- h. The Declarant, in any Phasing Amendment, shall have the right, in its sole discretion, to create additional Units, as well as the right to create and designate Limited Common Areas. Upon the recording of such amendment of this Master Deed so as to include said later Phases or Sub-Phases, the Units in the Buildings in such Phase or Sub-Phase shall become Units in this Condominium owned by the Declarant and shall thereupon be subject to Common Charges (as provided for, or defined in, the Declaration), and the Common Areas and Facilities of this Condominium shall include, except as otherwise provided in said Phasing Amendment, the same elements, features, and facilities of the Building and grounds which are described, defined, and referred to as to Phase 1 in this Master Deed as Common Areas and Facilities. After the recording of such Amendment of this Master Deed creating said later Phases or Sub-Phases the total number of Units in the Condominium shall be the Units in Phase 1 and the Units subsequently created by Amendment(s) to the Master Deed.
- i. Except as otherwise provided herein, if the Declarant has not so amended this Master Deed so as to include any or all of said later Phases or Sub-Phases in the Condominium within ten (10) years after the date of recording of this Master Deed, then the foregoing reserved rights shall terminate and be of no effect with respect to any such later Phases not yet created and the Land

where said phases were not created shall revert to the Declarant or its successors and assigns together with such easements over the Condominium Land for development, access installation of utility lines and also such other purposes deemed necessary by the Declarant in its sole discretion.

- j. Nothing herein shall be deemed to obligate the Declarant to create any later Phases or Sub-Phases. Moreover, notwithstanding any contrary or inconsistent provision above, the Declarant, and its successors and assigns, shall have the right, prior to the execution and recording of the Phasing Amendments creating said later Phases or Sub-Phases, to change the number, size, layout and locations of Units in any of such later Phases or Sub-Phases.
- k. Any such amendment creating a later Phase or Sub-Phase shall contain with respect to such Phase or Sub-Phase all the particulars required by the Act. Without limitation of the foregoing, the designation of each Unit in such Phase or Sub-Phase, a statement of its location, approximate area, and the immediate common areas to which it has access and its proportionate interest in the common areas and facilities shall be set forth, respectively, in the Phasing Amendment. No such amendment to this Master Deed shall be effective until it is recorded with the Middlesex North District Registry of Deeds (the “**Registry of Deeds**”).
- l. Declarant further reserves the right for itself and its successors and assigns, in its sole discretion, to abandon its intention to create any later Phase or Sub-Phase of the Condominium, as set forth above, and may, in its discretion, record a statement to said effect with the Registry of Deeds.
- m. Upon the happening of any of the events described in (a), (b) or (c) below, certain portions of the Buildings as described in the Phasing Amendment(s) (subject to matters of record, and not including the Units constructed therein) shown as the areas (or parts thereof) beyond Phase 1 may become part of the Common Areas and Facilities (or Limited Common Areas, if so designated by the Declarant): (a) as to an area designated by Declarant as an area relating to a specific Phase or Sub-Phase, when the Declarant records an amendment to this Master Deed to create such later Phase or Sub-Phase on such area, as described above and in the applicable Phasing Amendment; (b) one hundred twenty (120) days after the time limit to record such Phasing Amendment(s) expires, as set forth above; or (c) as to any specific area(s) designated by Declarant, when the Declarant abandons its rights to develop later Phases or Sub-Phases by recording an instrument(s) to that effect. Until such time as any such areas become part of the general Common Areas as described in this Section, the Declarant and its successors and assigns will have the exclusive right to use and develop said areas, and to rent, lease, occupy and enjoy any revenues derived from said areas.
- n. The Declarant reserves the right for itself and its successors and assigns to construct the Units in the proposed additional Phases or Sub-Phases in styles and sizes other than those built in Phase 1, so long as those styles and sizes conform to applicable zoning by-laws and regulations (or permit(s) and approvals relating to the Property). The designation of each Unit in said Future Phases, a statement of its location, approximate area, number of rooms, and immediate common areas to which it has access, and its proportionate interest in the Common Elements shall be set forth, respectively, in the Phasing Amendments. Any such amendment shall

contain, with respect to Future Phases, all of the particulars required by the Act. From and after the recording of such amendments, the Condominium shall include the Phases added by such amendments and the Units therein shall be subject to Common Charges and entitled to vote as provided in the Declaration of Trust. Similarly, the Common Elements of the Condominium shall then include the same elements and parts of Buildings described hereinabove. All intended improvements in future Phases will be substantially completed prior to annexation in such Phasing Amendment(s).

- o. In addition to all other rights of Declarant hereunder and pursuant to Declarant's right to amend this Master Deed so as to create later Phases or Sub-Phases as set forth above, Declarant reserves unto itself and its agents, servants, employees, independent contractors, workmen, work crews, successors and assigns the right and easement to use, occupy, and alter, for construction purposes, Phase 1 and the areas beyond Phase 1, for all purposes necessary or desirable in order to construct Phase 1 and the later Phases or Sub-Phases and the Condominium Units thereon and the common areas and facilities therefor. The Declarant further reserves for itself and its successors and assigns the exclusive right to grant easements to others to use the roadways and other areas of the Property for vehicular and pedestrian traffic.
  
- p. Without limiting the generality of the foregoing, the Declarant may subdivide one or more of the commercial Units into two (2) or Sub-Units. The Declarant may lease or sell said Sub-Units pursuant to the provisions of this Master Deed. Any subdivision of commercial Unit into Sub-Units shall not result in any increase or decrease to the percentage interest of any Unit Owner or any change in any Unit Owner's rights in and to any Limited Common Elements, or otherwise affect the obligations of any other Unit Owner, other than the Declarant, undertaking such subdivision. In the case of any division of a Unit into two (2) or more Sub-Units, the percentage interest of the original Unit (and corresponding interests, if any, in and to Limited Common Elements) shall be reallocated among the newly created Sub-Units. No subdivision of Units shall become effective until notice thereof is delivered to the Trustees, and an amendment to this Master Deed is recorded by the Unit Owner(s) causing such subdivision or combination, which amendment shall be in a form reasonably satisfactory to the Trust. Said amendment shall be in accordance with the provisions of Chapter 183A and shall contain: (i) a description of the newly created Sub-Units; (ii) amended floor plans showing the Sub-Units created thereby; (iii) a revised Schedule to the Master Deed setting forth the new percentage interest of each Sub-Units, provided that in the case of any subdivision of a Unit, the Trust shall be entitled to approve the reallocation of percentage interest of the original Unit among the owners of the newly created Sub-Units, which approval shall not be unreasonably withheld, conditioned or delayed; (iv) a description of any changes to the Common Elements or Limited Common Elements resulting from such subdivision; and, (v) a description of any new Limited Common Elements created in connection with such subdivision. The costs and expenses of recording and preparing the foregoing amendment (including attorney's fees) shall be borne by the Unit Owner undertaking the subdivision. By the acceptance of a Unit Deed (whether such deed is from the Declarant as grantor or from any other party), each Unit Owner hereby expressly and irrevocably authorizes and constitutes as such owner's attorney-in-fact, the Unit Owner(s) electing to subdivide the commercial Unit(s) to make, from time to time, any and all such amendments and, to the extent such execution may be required by applicable law, to

execute any such amendment on such Unit Owner's behalf. This power of attorney is coupled with an interest, and hence shall be irrevocable and shall be binding upon each and every present and future owner of a Unit in the Condominium.

- q. Without limiting the generality of the foregoing and in furtherance thereof, the Declarant hereby reserves unto itself and its agents, servants, employees, independent contractors, workmen, work crews, successors and assigns, the following rights to be in full force and effect until one hundred and sixty (160) days after the last of the Units in the final Phase or Sub-Phase is conveyed of record by the Declarant to purchasers other than purchasers designated as successors or assigns of Declarant's rights under this Master Deed: the right of access, ingress, and egress over and upon the Land and the common areas and facilities of the Condominium, including that deemed by the Declarant to be necessary for marketing purposes and for the work of construction, reconstruction, rehabilitation, improvement, and other work in progress or contemplated by Declarant; the right to lay, maintain, repair and replace, construct, and install and connect (or connect with and make use of) all utilities, utility lines, poles, tanks, walls, ducts, conduits, and similar facilities to serve any or all of the buildings and/or dwelling units and the common areas and facilities and all conduits, ducts, plumbing, wiring, and other facilities for the furnishing of power, gas, light, cable television, water, air and all sewer and drainage pipes to serve any or all of the Buildings and/or Units and the Common Elements; to pass and repass by foot and vehicle over all driveways, roadways, access ways, parking areas and walkways, whether now existing or to be constructed in the future, for all purposes for which driveways, roadways, access ways, parking areas and walkways are commonly used, including the transportation of construction materials, equipment, and personnel for the purposes of construction; to construct buildings and improvements on the Land and to engage in all activities necessary or appropriate to accomplish the same, including without limitation the exclusive right to grant to others including any public utility or authority, easements for the installation and maintenance of utilities; to store construction materials, equipment, and supplies in those portions of the Common Elements not subject to rights of exclusive use appurtenant to any Unit; to restrict (for periods of not more than eight (8) hours at any time during any day) the use by Unit owners of Common Areas and Facilities to facilitate construction or for purposes of safety (provided, of course, no Unit Owner shall be denied at least one means of access to his or her Unit during such periods of restriction); to leave debris resulting from construction in the Common Elements, provided the same do not endanger safety; to reasonably interrupt for brief intervals of time, water, gas, electric, and other utilities and service provided by such utility lines, pipes, tanks, wells, wires, cables, conduits, and septic, sewer and drainage lines in order to facilitate construction or in order to facilitate the installation of appliances or fixtures in the Buildings, Units or Common Elements under construction without liability for such interruption of service, provided however that the Declarant shall use reasonable efforts to minimize any such interruption of service; to park vehicles used in connection with the construction work or incident thereto in parking areas that have not been assigned to any specific Unit; and, in general, the right to do all things necessary or desirable in order to construct and complete all of the Buildings and/or dwelling units and the Common Elements in connection therewith. Declarant further reserves the right to use any Unit owned by the Declarant for storage or as a model, for display, as an office, for purposes of facilitating sales or leasing of Units, as well as

the right to park and use one or more construction and/or marketing trailers or other temporary structures on the Land.

- r. The rights and easements reserved by the Declarant in this Section 13 shall be in addition to and not in limitation of, the rights and easements reserved by the Declarant in other sections of this Master Deed.
- s. The rights and easements reserved by the Declarant for itself and its successors and assigns in this Master Deed shall be deemed to be fully transferable, running with the land.
- t. Each Trustee, as well as each Unit Owner and mortgagee of a Unit, by the acceptance and recordation of a deed or mortgage to a Unit, shall thereby have consented to any such Phasing Amendment(s) to the Master Deed (and corresponding modification of percentage interests in the common areas and facilities) and/or the granting or exercise of any right or easement described in this Master Deed without the necessity of securing any further consent or execution of any further documents by such Trustee, owner or mortgagee, and does hereby appoint Declarant as his or her attorney-in-fact to execute, acknowledge and deliver any and all instruments necessary or appropriate to grant to exercise any such Phasing Amendment, right or easement described in this Master Deed, or to effect any such right herein reserved, which power of attorney is deemed to be running with the land, binding upon heirs, successors and assigns, durable, irrevocable and coupled with an interest. Each Unit Owner and mortgagee of a Unit, by acceptance and recordation of a deed or mortgage to a Unit, shall thereby be deemed to have further consented to any governmental permit, approval or zoning relief sought by the Declarant in connection with the development and construction of the Condominium and/or such other development and/or construction proposed by Declarant or Declarant's affiliates, successors and/or assigns with respect to the Land, and no such Unit Owner or mortgagee shall object in any way to any such governmental permit, approval or zoning relief sought by the Declarant. At the request of the Declarant, the Trustees and all Unit Owners shall join in any application for such governmental permit, approval or zoning relief, provided Declarant shall bear any costs therefor.
- u. The Declarant, by deed or by separate assignment, shall be entitled to assign, sell, grant or mortgage, any and all of its interests, rights and easements owned by it or reserved herein and in the Declaration of Trust and By-Laws, at any time, and from time to time, to any mortgage holder, person, trust, firm, or entity as may be determined by Declarant. Each Trustee, as well as each Unit Owner and mortgagee of a Unit, by acceptance and recordation of a deed or mortgage to a Unit, shall be deemed to have thereby consented to any such assignment, sale, grant or mortgaging of the Declarant's said interests, rights and easements without the necessity of securing any further consent or execution of any further documents by such Trustee, Unit Owner or mortgagee, and does hereby appoint the Declarant as attorney-in-fact to execute, acknowledge and deliver any and all instruments necessary or appropriate to grant or exercise such assignment, sale, grant or mortgaging, which power of attorney is deemed to be running with the land, binding upon heirs, successors and assigns, durable, irrevocable, and coupled with an interest. The Trustees and Unit Owners, at Declarant's request, shall execute whatever confirmatory instruments which Declarant deems appropriate or necessary in order

to perfect, carry out, or effectuate the rights and easements reserved by the Declarant in this Master Deed and in the Trust.

14. Title to Units. Title to Units may be taken in the name of an individual or in the name of two (2) or more individuals, as tenants in common, joint tenants, or tenants by the entirety, in the name of a fiduciary, limited liability company, corporation, partnership or any other legal entity.

15. Units Subject to Master Deed and Declaration of Trust and By-Laws. All present and future Unit Owners, tenants, visitors, servants and occupants of Units shall be subject to, and shall comply with, the provisions of this Master Deed, the Declaration of Trust and By-Laws, and the Rules and Regulations, as they may be amended from time to time, and the items of record affecting title to the Property. The acceptance of a deed or conveyance of a Unit or the entering into occupancy of any Unit shall constitute an agreement that the provisions of this Master Deed, the Declaration of Trust and By-Laws, and the Rules and Regulations promulgated pursuant thereto, as they may be amended from time to time, and the said items of record affecting title to the Property, are accepted and ratified by such Unit Owner, tenant, visitor, servant or occupant, and all of such provisions shall be deemed and taken to be covenants running with the land and shall bind any person having at any time any interest or estate in such Unit, as though such provisions were recited and stipulated at length in each and every deed, conveyance, mortgage or lease thereof. A violation of the provisions of this Master Deed, the Unit Deed, the Declaration of Trust and By-Laws, or the Rules and Regulations by any such person shall be deemed a substantial violation of the duties and obligations of a Unit Owner.

16. Subjection to Condominium Documents. Any deed to a purchaser, lease to a lessee, or mortgage to a secured party, shall expressly provide, or in the absence of such be deemed to provide, that the acceptance thereof shall constitute an assumption of the provisions of the Master Deed, the Declaration of Trust, and the Rules and Regulations, as the same may be amended from time to time.

17. No Partition or Severance. No Unit Owner shall execute any deed, lease, mortgage or other instrument conveying or mortgaging title to his Unit without including therein the Appurtenant Interests, it being the intention hereof to prevent any severance of such combined ownership. Any such deed, lease, mortgage or other instrument purporting to affect one or more of such interests, without including all such interests, shall be deemed and taken to include the interest or interests so omitted, even though the latter shall not be expressly mentioned or described therein. No part of the Appurtenant Interests of any Unit may be sold, leased, transferred or otherwise disposed of, except as part of a sale, lease, transfer or other disposition of the Unit to which such interests are appurtenant, or as part of a sale, lease, transfer or other disposition of such part of the Appurtenant Interests of all Units, except that parking spaces may be sold, assigned and transferred to and among other Unit Owners by the Declarant.

18. 6D Certificates. Upon request of a Unit Owner or his designee, the Trustee(s) shall, within ten (10) business days, provide a certificate in conformity with the Act, Section 6(d), specifying the amount, if any, of any unpaid Common Charges assessed to the Unit Owner and/or attributable to the Unit. The Trustee(s) may in their discretion impose a reasonable fee for the provision of such statement.

19. Amendment of Master Deed.

- a. Declarant's Consent. Notwithstanding any contrary or inconsistent provision in this Master Deed, for so long as Declarant owns one or more Units in the Condominium or holds any rights retained under this Master Deed to add further Phases or Sub-Phases to the Condominium, any amendment to the Master Deed must be signed by the Declarant and/or its successors and/or assigns, and no amendment shall be valid without such signature of the Declarant and/or its successors and/or assigns.
- b. General Amendments. Except as set forth in Section 13 above relating to Phasing Amendments, and except as otherwise provided in this Section 17, this Master Deed may be amended by an instrument in writing signed and acknowledged by a majority of the Board and consented to by Unit Owners (including the Declarant, if the Declarant owns any Units) entitled in the aggregate to not less than seventy-five percent (75%) of the undivided interests in the Common Areas and Facilities and duly recorded with the Registry of Deeds; provided, however, that:
  - i. The date on which any such instrument is consented to by each such consenting Unit Owner shall be indicated thereon, and no such instrument shall be of any force or effect unless the same has been so recorded within six (6) months after the date on which the first such consent was obtained. Any such amendment need not be signed by the consenting Unit Owners, as long as the amendment is signed by a majority of the Trustees, who shall certify in such amendment (1) that the amendment has been consented to by the requisite number of Unit Owners and (2) the respective dates each such consent was obtained. Said consents shall be kept on file with the Board of Trustees for not less than three (3) years from the date the amendment is recorded.
  - ii. Except as provided for elsewhere in this Master Deed, no instrument of amendment which alters the dimensions of any Unit shall be of any force or effect unless the same has been signed by the owner of the Unit so altered.
  - iii. Except as provided for in Section 13 hereof or elsewhere in this Master Deed, no instrument of amendment which alters the percentage of the undivided interest to which any Unit is entitled in the Common Areas and Facilities shall be of any force or effect unless the same has been signed by all Unit Owners whose percentage of undivided interest is affected.
  - iv. No instrument of amendment which alters this Master Deed in any manner which would render it contrary to or inconsistent with any requirements or provisions of the Act shall be of any force or effect.
- c. Special Amendments. Notwithstanding any provision herein to the contrary, this Master Deed may also be amended by special amendment as follows: The Declarant, without the consent of any Unit Owner or mortgagee may execute and record a special amendment as long as it owns any Units in the Condominium or retains right to add additional Phases or Sub-Phases thereto, in order to (i) correct any errors and/or omissions in this Master Deed, provided no such correcting amendment shall materially adversely affect the rights of any Unit Owner; (ii) to

make this Master Deed comply with the provisions of Massachusetts General Laws Chapter 183A; (iii) to make the provisions of this Master Deed comply with the guidelines or requirements of the Federal National Mortgage Association (“FNMA”), the Federal Home Loan Mortgage Corporation (“FHLMC”), and any regulations promulgated pursuant thereto by the Department of Housing and Urban Development (“HUD”), Massachusetts General Laws Chapter 151B, the Federal Housing Administration (“FHA”), Veterans Administration (“VA”), or any governmental agency, insurer or guarantor of Unit mortgages, including private mortgage insurers; (iv) to meet the requirements of any governmental or quasi-governmental body or agency including, but not limited to, the Town of Tewksbury, or any of its boards, bodies or agencies; (v) to induce any such agencies or entities to make, purchase, sell, insure or guarantee first mortgages covering the ownership of a Unit; or (vi) to correct mathematical, clerical or scrivener’s errors, or to cure any ambiguity, inconsistency or formal defect or omission in this Master Deed, Trust, Schedule thereto, or any supplement or amendment thereto, including without limitation, the correction of measurements appearing on any plan recorded in connection with the Condominium; or (vii) to assist the Declarant in the sale, development and/or marketing of any Unit.

- d. Fannie Mae Provisions. Notwithstanding anything in the Master Deed, the Declaration of Trust, the By-Laws or the Rules and Regulations promulgated pursuant thereto to the contrary, the following provisions shall apply for the protection of the holders of the first mortgages of record with respect to the Units and shall be enforceable by any first mortgagee:
- i. Any right of first refusal in the condominium project documents will not adversely impact the rights of a mortgagee or its assignee to:
    - 1. Foreclosure or take title to a Unit pursuant to the remedies in the mortgage;
    - 2. Accept a deed or assignment in lieu of foreclosure in the event of default by a mortgagor; or
    - 3. Sell or lease a Unit acquired by the mortgagee or its assignee.
  - ii. Amendments of a material adverse nature to mortgagees must be agreed to by first mortgagees who have requested notice of such amendments in writing to Condominium that represents at least fifty-one (51%) of the votes of Units that are subject to mortgages.
  - iii. Any action to terminate the legal status of the project after substantial destruction or condemnation occurs or for other reasons must be agreed to by mortgagees that represent at least fifty-one (51%) of the votes of the Units that are subject to mortgages.
  - iv. Implied approval of mortgagees is to be assumed when a mortgagee fails to submit a response to any written proposal for an amendment within 60 days after it receives proper notice of the proposal, provided the notice was delivered by certified or registered mail, with a “return receipt” requested.
  - v. Mortgagees and guarantors of the mortgage on any Unit shall have the right to timely written notice of:
    - 1. Any condemnation or casualty loss that affects either a material portion of the project or the Unit securing its mortgage;

2. Any 60-day delinquency in the payment of assessments or charges owed by the owner of any Unit on which it holds the mortgage; A lapse or cancellation, of any insurance policy maintained by the Trust; and
  3. Any proposed action that requires the consent of a specified percentage of mortgagees.
- vi. No Unit Owner or any other party shall have priority over any rights of the first mortgagee of the Unit pursuant to its mortgage in the case of payment to the Unit Owner of insurance proceeds or condemnation awards for losses to or a taking of Units and/or Common Elements.
  - vii. Except as provided in the Act, any first mortgagee who obtains title to a Unit pursuant to the remedies in the mortgage or through foreclosure will not be liable for more than six (6) months of the Unit's unpaid Common Charges accrued before acquisition of the title to the Unit by the mortgagee.
  - viii. Any first mortgagee that does not deliver or post to the Trustees a negative response within sixty (60) days of a written request, sent certified mail, return receipt requested, by the Trustees for approval of any addition or amendment pursuant to this paragraph shall be deemed to have consented to the addition or change set forth in such request. An affidavit by the Trustees making reference to this paragraph, when recorded at the Registry of Deeds, shall be conclusive as to the facts therein set forth as to all parties and may be relied upon pursuant to the provisions of Declaration of Trust.

The Declarant intends that the provisions of the Master Deed shall comply to the maximum extent possible with the requirements of the FNMA with respect to Condominium loans, and except as may otherwise specifically be provided in this Master Deed, all questions with respect thereto shall be resolved consistent with that intention.

20. Withdrawal of Portions of Condominium Land. The Declarant and its successors and assigns reserve the right within the period of ten (10) years from the date this Master Deed is recorded to remove any portion of the Property which has not been included as a developed area as part of any submitted Phase, or over which any exclusive, or limited, common area rights have been granted or assigned to any Unit from the Condominium hereby created by a conveyance of any portion of such land to the Declarant and its successors and assigns or to any other party, which conveyance shall convey said land or any portion thereof free of this Master Deed for any purposes for which such land may then or thereafter be legally used and expressly free of any use or restriction for the benefit of the Condominium to which it may have been subject by (a) being included in the description of the premises in Schedule A attached herewith, (b) dedicated to Condominium use or (c) by reason of the use and occupation of the dedicated premises in connection with the use and occupation of the Units of the Condominium. The Declarant and its successors and assigns reserve the right to pass over the Condominium land and to have all other rights necessary to develop the withdrawn land, including the right to have easements for public utilities and the like.

Each Unit Owner and each mortgagee of a Unit in the Condominium, their successors, heirs and assigns, shall by the acceptance of a deed, mortgage or any other instrument conveying an interest in any Unit, thereby irrevocably appoint the Declarant and its successors and assigns as his or its

attorney to execute, acknowledge and deliver any and all instruments necessary or appropriate to convey such land as contemplated by this Section, recognizing and acknowledging that the power thereby conferred shall be a power coupled with an interest and each such Unit Owner, mortgagee or other party agrees for himself, his successors and assigns to execute, acknowledge and deliver any and all instruments which may be requested at any time to confirm the power of attorney so given or the conveyance of said land as herein contemplated.

21. Conflicting Provisions. If any provisions of this Master Deed shall be invalid or shall conflict with the Act or if any provisions of this Master Deed conflicts with any other provision thereof or with any provision of the Declaration of Trust, then the following rules of Construction shall be used:

- a. In the event of a conflict between the Master Deed and the Act, as amended, the provisions of the Act shall control; and,
- b. In the event of a conflict between this Master Deed and the Declaration of Trust or By-Laws, this Master Deed shall control.

22. Invalidity. The invalidity of any provisions of this Master Deed shall not be deemed to impair or affect in any manner the validity, enforceability or effect of the remainder of this Master Deed and, in such event, all of the other provisions of this Master Deed shall continue in full force and effect as if such invalid provision had never been included herein.

23. Waiver. No provision contained in this Master Deed shall be deemed to have been abrogated or waived by reason of any failure to enforce the same, irrespective of the number of violations or breaches which may occur.

24. Captions. The captions herein are inserted only as a matter of convenience and for reference, and in no way define, limit or describe the scope of this Master Deed nor the intent of any provision hereof. Terms of gender shall be interchangeable, as shall be terms of reflecting the singular and plural.

25. M.G.L. c. 183A. The Units and Common Areas and Facilities, and the Unit Owners and Trustees, shall have the benefit of, and be subject to, the provisions of the Act, in effect upon the date of execution of this Master Deed and any future amendments thereto. In all respects not specified in this Master Deed or in the Declaration of Trust, they shall be governed by the provisions of the Act in their relation to each other and to the Condominium established hereby, including, without limitation, provisions thereof with respect to removal of the Condominium premises or any portion thereof from the provisions of the Act. All terms and expressions herein used which are defined in Section 1 of the Act shall have the same meanings herein unless the context otherwise requires.

26. Duration. The Condominium hereby created shall terminate only upon the removal of the same from the provisions of the Act in accordance with the procedure set forth in Section 19 of M.G.L. c. 183A, or any successor to such section.

27. Continuing Obligations of the Condominium Trust. Reference is made to the Site Plan Special Permit decision dated May 5, 2015 (SPSP 2014-19), and all other state and local permits and approvals issued in connection with the Condominium project (hereinafter the "Approvals"). The Unit Owners shall be subject to and bound by the terms and conditions of the Approvals, as they may be amended or modified from time to time. All Unit Owners acknowledge that the Approvals create continuing obligations which shall become the responsibility of the Trust and/or the Unit Owners. To the extent there is any conflict between the requirements imposed by the Approvals and any provisions herein, the provisions of the Approvals shall apply to the extent they are consistent with applicable law.

28. Liability and Arbitration. Notwithstanding anything to the contrary contained herein, and notwithstanding any custom or usage to the contrary, it is expressly understood and agreed that the only the interest in the Condominium of the Declarant shall be bound by the provisions of this Master Deed. No member, manager, officer, director or employee of Declarant, or any member of the Declarant, shall have any personal liability hereunder. Furthermore, all claims, disputes and other matters in question arising out of or relating to the Declarant shall be decided by arbitration in accordance with the construction industry arbitration rules of the American Arbitration Association then obtaining. This agreement to arbitrate shall be specifically enforceable under the prevailing arbitration law. The award rendered by the arbitrators shall be final and judgment may be entered upon it in accordance with applicable law in any court having jurisdiction thereof. Each party shall solely bear its own expenses, including legal fees, relating to the arbitration and the parties agree that the arbitrators shall not be entitled to award punitive damages.

Notices of the demand for arbitration shall be filed in writing with the other party to the dispute and with the American Arbitration Association. The demand for arbitration shall be made within a reasonable time after the claim, dispute, or other matter in question has arisen and a demand shall not be made after the date when institution of legal proceedings based on such claim, dispute, or other matter in question would be barred by the applicable statute of limitations or barred by the limited warranty attached hereto and made a part hereof.

Notwithstanding the foregoing, the Board shall not undertake legal action relating to the Declarant or initial Trustee unless eighty percent (80%) of the Unit Owners of all units which may be created consent in writing to such legal action at a special meeting duly called by the Board and at which full disclosure is made by the Board and legal counsel as to the estimated cost of such legal action, said estimated costs shall include, but not be limited to, attorneys' fees, costs of the arbitrators and the costs for any professionals to prepare reports or attend as expert witnesses. Any such action must be commenced within ninety (90) days after transfer of control of the Trust to the Unit owners or shall be deemed forever waived by the Trustees and Unit Owners.

In the event of arbitration, each party shall elect an arbitrator of its choice and the two arbitrators so chosen shall select the third arbitrator. This Section may not be amended without the written consent of the Declarant for so long as the Declarant retains any rights hereunder.
